

# Crazy nails

## The workbench

- Paper ring noodles
- Craft glue
- Glitter
- Plastic stars
- Plastic eyes
- Feathers
- Nail polish
- Artificial nails or cut to shape cardboard

### Step 1.

Glue the nails to the paper rings allowing them to dry completely before decorating. Coat the nail only, with the nail polish then while the nail polish is still wet quickly decorate the nails by dipping them in the glitter, placing on stars, eyes and feathers to make different crazy designs.

### Step 2.

Set all the nails aside to dry.

### Step 3.

Place the nails onto the tips of your fingers and show them off to your family and friends. Make sure you capture your fantastic crazy nails on film to remember them forever.
