

# Tree stars

## The workbench

- Poster paint (non toxic)
- Paint brush
- Glitter
- Foam stars (craft retailers)
- Star wire (craft retailers)
- Glitter pom poms
- Craft glue

### Step 1.

Paint the stars on both sides then while they are still wet sprinkle them with glitter.

### Step 2.

Add some glue to the pom poms and attach them to the center of the stars, then allow them time to dry.

### Step 3.

Push cut to length wire ends into the sides of the stars to hang the stars onto the tree. Decorate the Christmas tree.
