

Cable tie Christmas decorations

The work bench

- Colored cable ties

Step 1

Work out a color sequence. (blue, yellow, red etc)

Step 2.

Fold the cable tie through it's own hole and pull until it clicks into place then place a new cable tie through the middle of the previous completed cable tie, and complete so that it forms a chain.

Step 3.

Continue threading cable ties onto the chain until the desired length is reached then hang on the Christmas tree or on the walls.
